

## Indian School of Business

The Indian School of Business ([ISB](http://www.isb.edu)) invites applications for Assistant (tenure track), Associate (tenure-track or tenured), and Full Professors (tenured) in all areas of Finance, Economics and Public Policy. Applicants must have PhDs from reputed institutions by the joining date, and demonstrate potential for excellence in scholarship and teaching. Applicants for senior appointments should have published extensively in top-tier refereed journals and mentored junior faculty.

The ISB is an independent, research-driven, global business school, with a tenure system similar to international schools. Faculty members may reside in either of its two campuses in Hyderabad and Mohali, India.

The ISB has a portfolio faculty model with accomplished resident faculty and visiting faculty from leading business schools and universities worldwide (See Faculty Directory: <http://www.isb.edu/faculty-research/faculty/directory>). Resident faculty members have graduated from the best universities worldwide and published in leading academic journals. The School provides a vibrant research environment hosting a large number of visitors as research speakers, visiting scholars, and participants in an annual Finance and Economics Summer Workshop and an annual Summer Research Conference in Finance (<http://www.isb.edu/summer-research-conference-2015/agenda>). The school also recently hosted the inaugural conference of the Society for Economics Research in India ([http://www.isb.edu/faculty/tarunjain/SERI\\_Schedule\\_ISB\\_July2015.pdf](http://www.isb.edu/faculty/tarunjain/SERI_Schedule_ISB_July2015.pdf)). Faculty receive support from full time research assistants and research funds for, among other things, data collection and international travel for conferences and collaborative work.

Compensation is competitive. To apply, candidates should send their CV and research papers with 3 reference letters to [Faculty\\_Recruitment@isb.edu](mailto:Faculty_Recruitment@isb.edu)

Deadline: The ISB will accept applications until the positions are filled. However, to receive full consideration, candidates should send the complete application by December 1, 2015.

Interviews with short-listed candidates will be scheduled at the AEA/AFA Annual Meetings from January 3 - 5, 2016 in San Francisco.
